

Winter Season Tips

NEW HOME'S commitment to exceptional living lasts long after the close of escrow.

We strive to remain a part of our buyer's lives as they grow into their home and continue to care year-in and year-out. In support of that goal, check-out our Winter Season's Tips and recommendations to help give your new residences some well deserved TLC.

- Change furnace filter (monthly basis)
- Adjust sprinkler system setting for the winter season
- Check drainage swales for proper flow
- Flush yard drains (twice a year)
- Check smoke and carbon monoxide detectors (change batteries annually)
- Test GFCI receptacles
- Wrap any exposed exterior water lines, in case of freezing temperatures
- Check all window weep holes for debris; clean if dirty
